Illustrative Mini Guide

Hi, you.

With the promise of providing inclusive and accessible information about bodies, sex, gender and everything in between, this Illustrative Mini Guide is a continuation of the Masterclass as a handy resource that you can download and keep or share with your close ones.

In this resource, you will find:

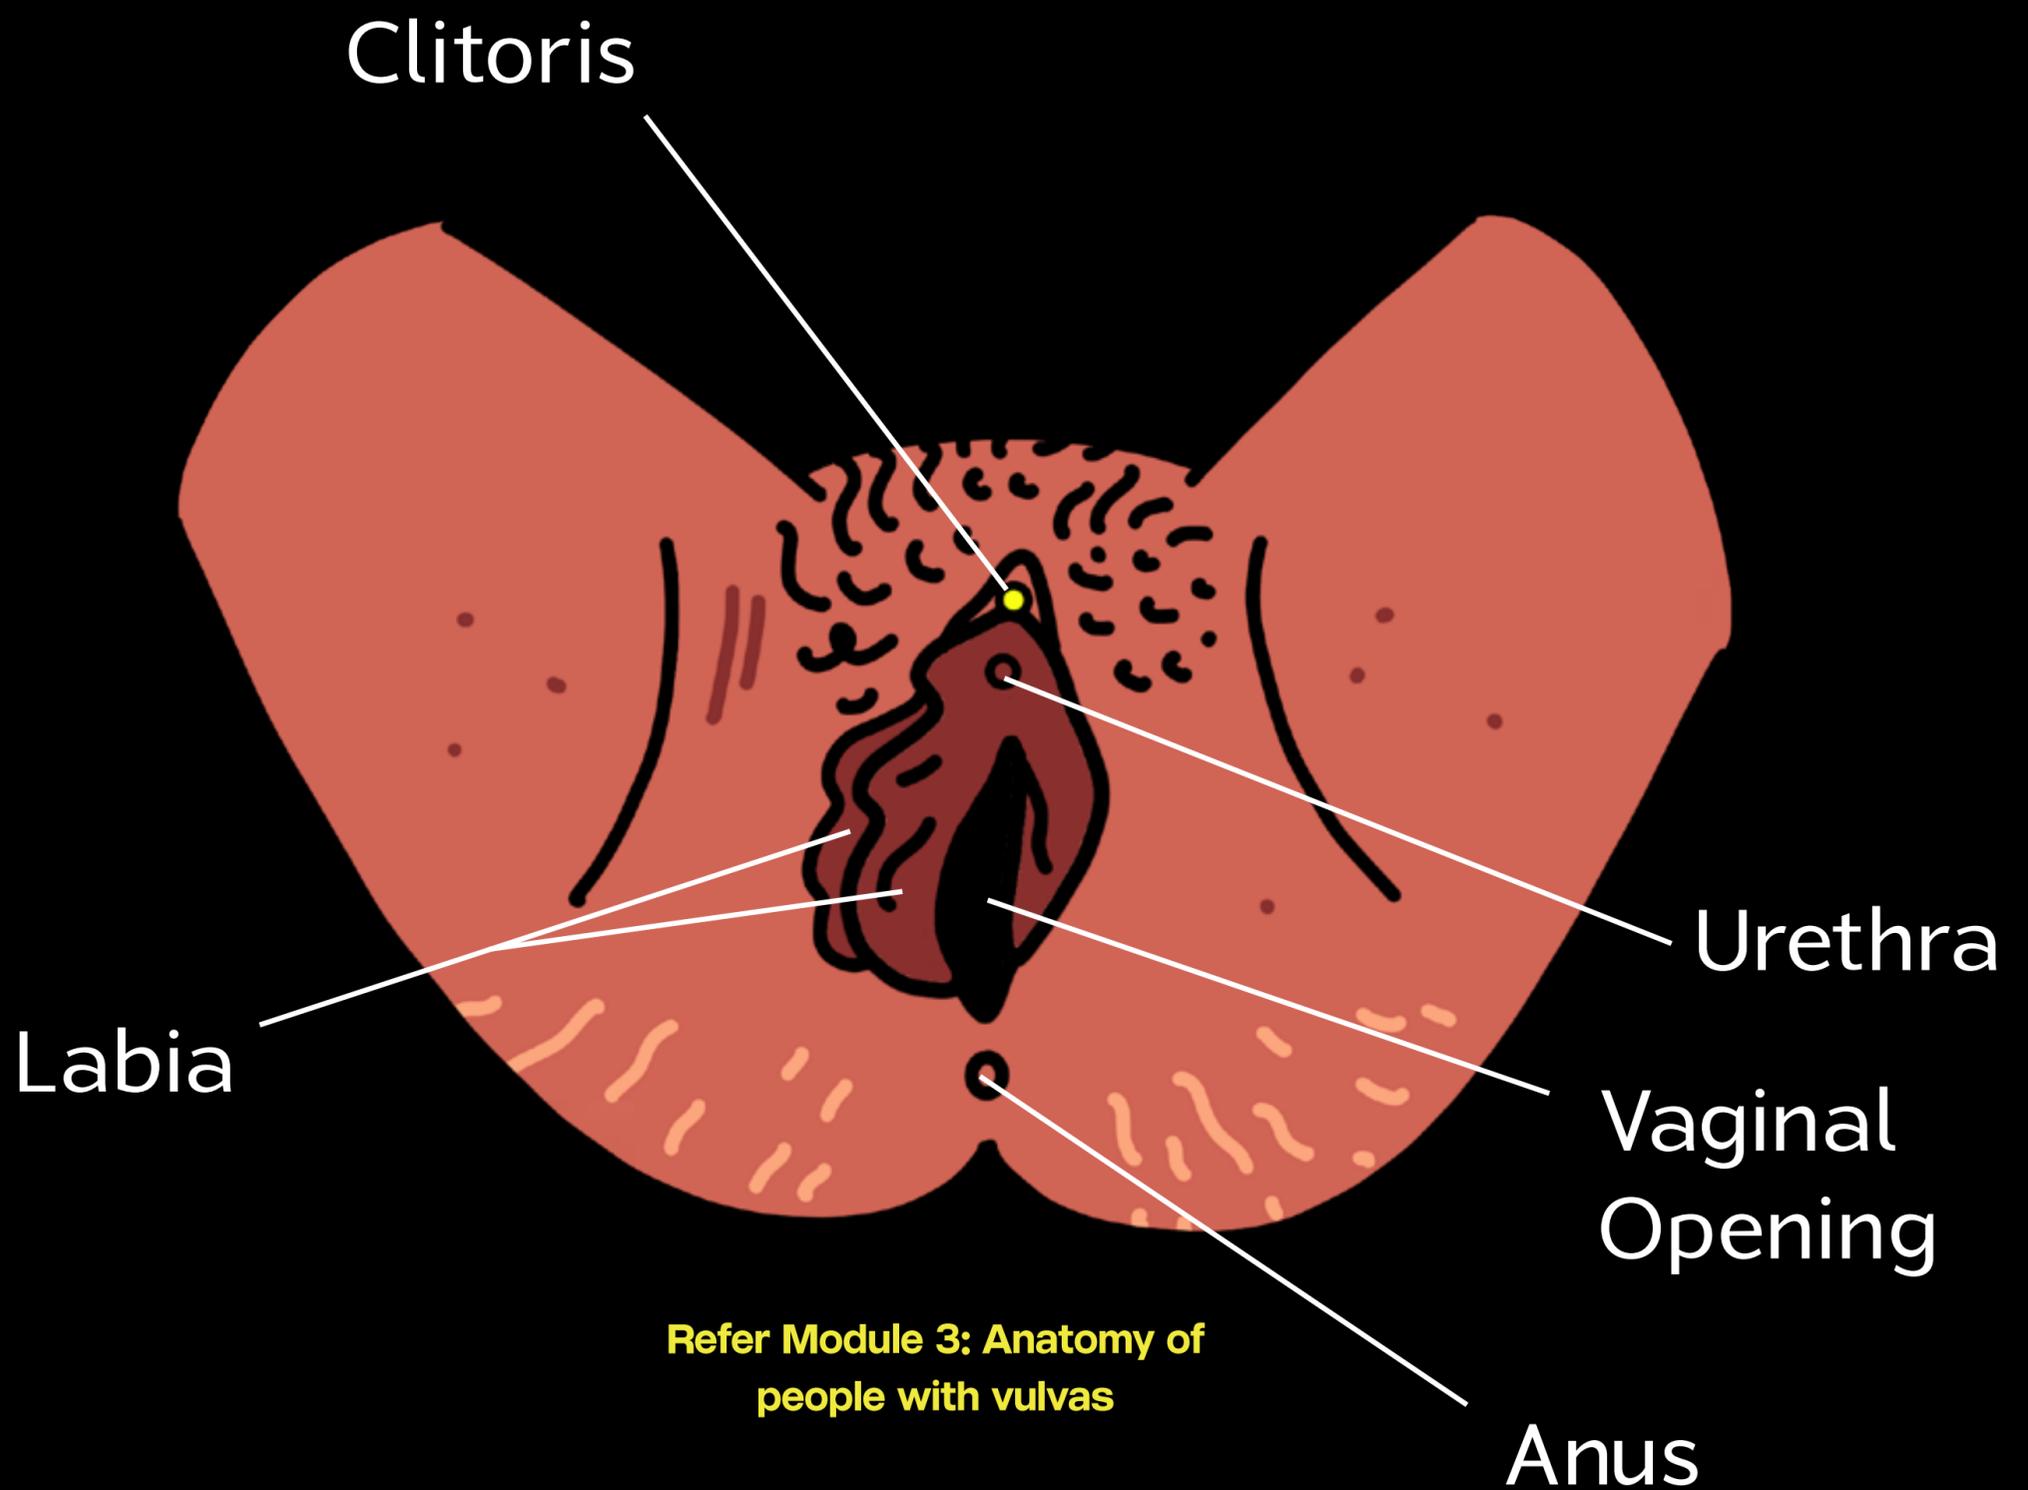

- Easy-to-understand diagrams of the anatomy down there
- Varied representations of what genitals can look like
- Realistic illustrations that are closer to your body
- Organized packets of info to keep in mind

**Note:** We recommend using this guide as a support after completing the Masterclass on Sex Ed Basics with Karishma, to learn in-depth about the world down there, and all the different experiences you can have.

## **THAT SASSY THING, WHO?**

---

We're a female-founded sexual wellness brand bringing to you body safe products designed for people of all genders. The sexual wellness space has underrepresented the needs of vulva-owners and has been rife with misinformation for far too long. We're here to flip the script and disrupt the space by bringing more folx closer to their sexual wellness journey.

# ABOUT MASTERCLASS BY TST

---

As India's first free, queer and trans-affirmative, pleasure-centric Masterclass on Sex Ed, we're making inclusive and realistic sex education accessible for people of diverse identities and bodies. With each module, you'll be building hands-on knowledge that will help you make informed choices and decisions in your own life.

Curated by the best, because you don't deserve any less!
